

Welcome to your Health Pro resources

We are here to help you save time and money on health care.

Navigating health care can be complex and confusing. As part of your employer's benefits, you have access to resources to help you navigate your health care, maximize your benefits, and solve billing issues.

Health Pro Connection is a mobile-friendly platform where you can:

- View information about your health plan coverage
- Contact your Health Pro and view status of current requests

Through **Health Pro Connection**, you have access to a Health Pro, a highly trained consultant who can:

- Set up medical appointments that fit your schedule
- Assist with confirming prescription costs, getting pre-authorization, and signing up for mail order
- Confirm benefits coverage was properly applied
- Help solve billing issues

**Take advantage of
your benefits now!**

Log in to **Health Pro Connection** to view your benefits information or connect with a Health Pro for assistance.
